

**American Biological Safety Association**  
**53<sup>rd</sup> Annual Biological Safety Conference**  
**October 3 – 6, 2010, Denver, Colorado**  
***Sponsor Information and Application***

**Corporate Sponsorship**

The American Biological Safety Association (ABSA) was incorporated in 1984 to become the global leader for providing professional and scientific expertise in the practice of biological safety. ABSA is comprised of 1,600 members from companies, universities, and governmental agencies throughout the world. ABSA sponsors an annual conference regularly attended by about 700 biosafety professionals and environmental management officials from its member organizations.

This will be the **53<sup>rd</sup> Annual Biological Safety Conference**. The Conference will be held October 3-6 at the Hyatt Regency in Denver, Colorado. This event promises to be one of the most memorable meetings in the history of the organization. About 700 attendees representing a broad spectrum of biological, pharmaceutical, and biotechnology research, development and clinical organizations are expected to attend. The conference draws biological safety conferees from academic, commercial, and governmental sectors from around the world.

The various sponsor levels are identified below, along with the benefits and recognition that will be provided to major sponsors.

**If you are interested in being a sponsor of the ABSA 2010 Conference, please complete and fax or e-mail the attached Sponsorship form. The amounts are U.S. Currency.**
